Celebrate Earth Day - Whitehorse "20 MINUTE MAKEOVER" April 22

The City of Whitehorse, Parks & Recreation Department is organizing a citywide cleanup initiative on Earth Day called the Whitehorse "20 Minute Makeover". The City is encouraging businesses, schools, organizations and the general public to spend 20 minutes cleaning up garbage and removing graffiti around their place of business, school, home or park on Earth Day, Tuesday April 22 at 2:00pm, or any other convenient time during the day. Mayor Bev Buckway is leading a City team and says "litter and graffiti are a community concern and we hope that everyone will take a little time to do their part".

Garbage bags and a limited supply of graffiti remover will be available at the Parks & Recreation office at 4061 – 4th Avenue (Sport Yukon Building). The City wants to acknowledge the participation of individuals and groups. If you call us at 668-8325 by April 21st, we will recognize your participation in our newspaper advertising.
